Are you ready to channel your love for animals into a meaningful career? Cairns Koalas and Creatures, located in the heart of Cairns, invites you to join our dedicated team as a Wildlife Keeper. Embark on a fulfilling journey where your commitment to wildlife conservation will make a lasting impact.

**About Us:**

At Cairns Koalas and Creatures, we are not just a wildlife destination and Education Centre – we are a passionate community committed to the well-being of our animal residents. With a strong focus on conservation and education, we take pride in providing exceptional care to Australia's unique wildlife. Join us in our mission to protect and preserve the natural heritage of this beautiful land.

**Role Highlights:**

As a Wildlife Keeper at Cairns Koalas and Creatures, you will play a crucial role in ensuring the health and happiness of our animal residents. Your dedication, compassion, and expertise will contribute to creating a safe and enriching environment for our wildlife.

**Key Responsibilities:**

- Provide daily care for a variety of Australian wildlife, including koalas, ensuring their well-being and health.
- Participate in the design and implementation of enriching activities to promote the mental and physical stimulation of our animal residents.
- Conduct regular health checks and assist in veterinary procedures when necessary.
- Engage with visitors by sharing your knowledge and passion for wildlife conservation through educational presentations and interactive experiences.
- Work collaboratively with fellow team members to maintain the highest standards of animal welfare.

**The Ideal Conservationist:**

*To excel in this role, you should embody these qualities and qualifications:*

- A deep passion for wildlife conservation and a genuine love for animals.
- Experience working with Australian wildlife is highly desirable.
- Excellent observational and organisational skills, with a keen attention to detail.
- Strong communication skills, with the ability to educate and inspire visitors about wildlife conservation.
- Relevant qualifications in wildlife biology, zoology, or a related field are a plus.

**Perks That Await You:**

Joining Cairns Koalas and Creatures as a Wildlife Keeper means becoming part of a team dedicated to making a positive impact on wildlife conservation. Enjoy opportunities for professional development, a supportive work environment, and the satisfaction of contributing to the well-being of Australia's iconic species.
